

# Your Voucher

for free entry to PCIM Europe 2017

Experience the complete value chain  
of power electronics!

## Exhibition topics:

- Power semiconductors, components and modules
- Integrated circuits
- Passive components
- Magnetics and core materials
- Thermal management
- Sensors
- Assemblies and subsystems
- Electrical drives
- Power converters
- Power quality and energy storage
- Test and measurement
- Development-software

## Profit from:

- personal conversations with over 400 exhibitors
- interesting lectures at the forums
- numerous high-class poster sessions
- various career options on-site
- a visit to the dedicated E-Mobility Area
- attendance of Student's Day
